& I went back to verify it, but ~~the~~^{it} is ~~found~~^{found} (being only
a small fragment): see JHS. 1912 p. 154:

(2) I always object to made words, until I
may begin to make them myself: perhaps I
have with Asti used an unpublished
[Kat]-paduandos, Paduandos (Griffa's map),
* ~~Padu~~ Pandaundos, Podandos, Bozanti.
