

TAKUN MEVKII
TRANSIT BOOK

TENEKE TRANSIT PROCEDURE

- 1) Vehicle transit is the responsibility of the driver
- 2) Driver supervises loading and enters the information in this book
- 3) Mark FINS? with x (not finished) or ✓ (finished) as appropriate
- 4) Transit book to remain in vehicle overnight
- 5) Please try and ensure that one number is completely sent down to the Water-Separation Unit before another is started - eases the job of the W-S operator!
